PLFN Community Notice: Pipe Partial Removal:

Pipe Update:

On Wednesday August 26, 2020 Transportation Infrastructure and Renewal (TIR) will be working to dig and seal sections of the pipe. This is temporary measure, as the pipe will be fully removed at Indian Cross Point as soon as the Environmental Assessment is approved.

Work will consist of digging underneath the pipe, cutting out Two -1- meter sections, sealing the pipe and fencing around and securing where the hole was dug.

The community is invited on Thursday August 27, 2020 from 10:00am – Noon to view the work that is being completed. If anyone has any questions, Nova Scotia Lands will be onsite along with an archeologist.

We ask if you do come to visit the site to please park on the Indian Cross Point side of the road, and to be careful of the traffic on the road. It will be a worksite and we do not want anyone to get hurt.

Many thanks,

Chief & Council
