Only qualified applicants will be contacted for an interview.

DEADLINE EXTENDED TO NOVEMBER 16/2020, 2 p.m.

Education Update:

NOVEMBER 10TH, 2020 - FIRST EDITION

PLFNS Physical Education Update

YOUR MONTHLY PLFNS PE UPDATE

WE'VE BEEN TAKING OUR LEARNING OUTDOORS:

Every Wednesday is Outdoor Physical Education Day at Pictou Landing First Nation School! For the past month, students have been getting outside and exploring the woods across the road from school. We've been learning about building shelters, how to identify plants, and how to be safe in the woods. We would like to remind community members and visitors to please be mindful of students crossing the road and being in the woods on Wednesdays - we'll do our best to be suited in orange!

If you'd like to share some of your outdoor knowledge with us, please get in touch with Melinda at: melindam@pictoulandingschool.ca or by calling the school!

On November 5th, Kara and Ian came from the Confederacy of Mainland Mi'kmaq to teach us about CoCoRah rain gauges! We will measure rainfall amounts in our community from next week!

IN THE GYM...

We will be wrapping up our net sport learning this coming week. Students have been learning the skills associated with badminton, volleyball and tennis.

Next up, we will be kicking off our 'Games' unit, where students create and present their own games to their classes! We'd love to learn more Mi'kmaq games so please get in touch if you have any that you'd like to share or teach us!

CONGRATULATIONS, ALL-STAR STUDENTS!

We have had a number of students take home the All-Star Student Award so far this year. Congratulations go out to Kallan, Aliyah, Zander, Drayson, Kitpu, Ashlyn, Drew and Tatum for setting the bar high in terms of participation and helping out during their PE lessons! Stay tuned for more updates and all-stars from our PE learning!

THANK YOU TO THE GRADE 7/8 CLASS FOR CLEANING THE PLAYGROUND!
