

Opdracht 2 Afstand meten

Ga naar de link: <http://www.afstandmeten.nl/index.php>

The screenshot shows the homepage of Afstandmeten.nl. The page title is "Route van de week: Zevenheuvelenloop (15 Nov)". Below the title are navigation links: "Nieuwe route maken", "Routes zoeken (tabel)", "Routes zoeken (kaart)", "Actueel", "Uitleg", "RSS", "Twitter", "Android", "iPhone", and "Feedback". The main content area features a search bar with the placeholder text "[straat], Plaats, Nederland". A red arrow points from the search bar to the search input field. To the left of the search bar is a sidebar with a "Ga naar" section, a "Mijn afstandmeten" section with login and password fields, and a "Links" section with "Registreren", "Wachtwoord vergeten", and "Importeren". Below the sidebar is an "Ads door Google" section with a "Stop condensatie" advertisement. The main map area shows a map of the Netherlands with various cities and roads. The search bar is located at the top left of the map area.

Tik je straat en plaats hier in.

Zoek allebei je straat op!

The screenshot shows a zoomed-in view of the Afstandmeten.nl website. The page title is "Route van de week: Zevenheuvelenloop (15 Nov)". Below the title are navigation links: "Nieuwe route maken", "Routes zoeken (tabel)", "Routes zoeken (kaart)", "Actueel", "Uitleg", "RSS", "Twitter", "Android", "iPhone", and "Feedback". The main content area features a search bar with the placeholder text "[straat], Plaats, Nederland". A red arrow points from the search bar to the search input field. To the left of the search bar is a sidebar with a "Ga naar" section, a "Mijn afstandmeten" section with login and password fields, and a "Links" section with "Registreren", "Wachtwoord vergeten", and "Importeren". Below the sidebar is an "Ads door Google" section with a "Stop condensatie" advertisement. The main map area shows a zoomed-in view of a street in Leiderdorp, with various streets and buildings visible. The search bar is located at the top left of the map area.

Houd je linkermuisknop ingedrukt, zo kun je het kaartje opschuiven.

Klik op een van de twee straten en klik dan een route naar de andere straat. Hoe groot is de afstand? Dat kun je hier zien:
