Tokyo, Japan

Tokyo is a vibrant, colourful city – the capital of Japan and the world's most populous metropolis. With a blend of history and modern technology, Tokyo provides a range of cultural experiences to suit all tastes. From the towering Sky Tree, to the Imperial Palace in Chiyoda, Tokyo offers a vast array of experiences. The shopaholics will enjoy the bustle of Shibuya and Shinjuku and the incredible nightlife in Ebisu. For more history and culture, head to Old Tokyo and visit the architecture of bygone eras. Or if you're looking to appreciate the traditional sport of sumo wrestling, Ryogoku is the district to visit. Wherever you choose to go, Tokyo in November offers a vast array of options. The Oi Hockey Stadium will impress you with modern facilities prepared for the 2020 Olympic Games – still here for our players to enjoy.

Oi Hockey Stadium

The Olympic Hockey facility is located near the Oi Sports Centre in the Oi Wharf Central Sports Park, 4-1-19 Yashio, Shinagawa-ku, Tokyo with the secondary (sub) pitch located at 1-2-1 Tokai, Ota-ku (see map).
